

Black Robe

UI&UX Research

About the Application

- Facilitating the lawyer's work, Attending Court sessions and performance of legal procedures on behalf of the original lawyer.
- The color suitable for everyone who suffers from vision problems and seeing only certain colors.
- The App is easy to use even for those who don't have extensive experience in dealing with technology ,especially the elderly; Because law is a free profession

Problem Statement

- Lawyers have to travel to attend a session in another governate. Or even the court is not in his district.
- High costs of lawyers
- Unsafe payment methods
- don't trust the lawyer who doing the work

Solutions

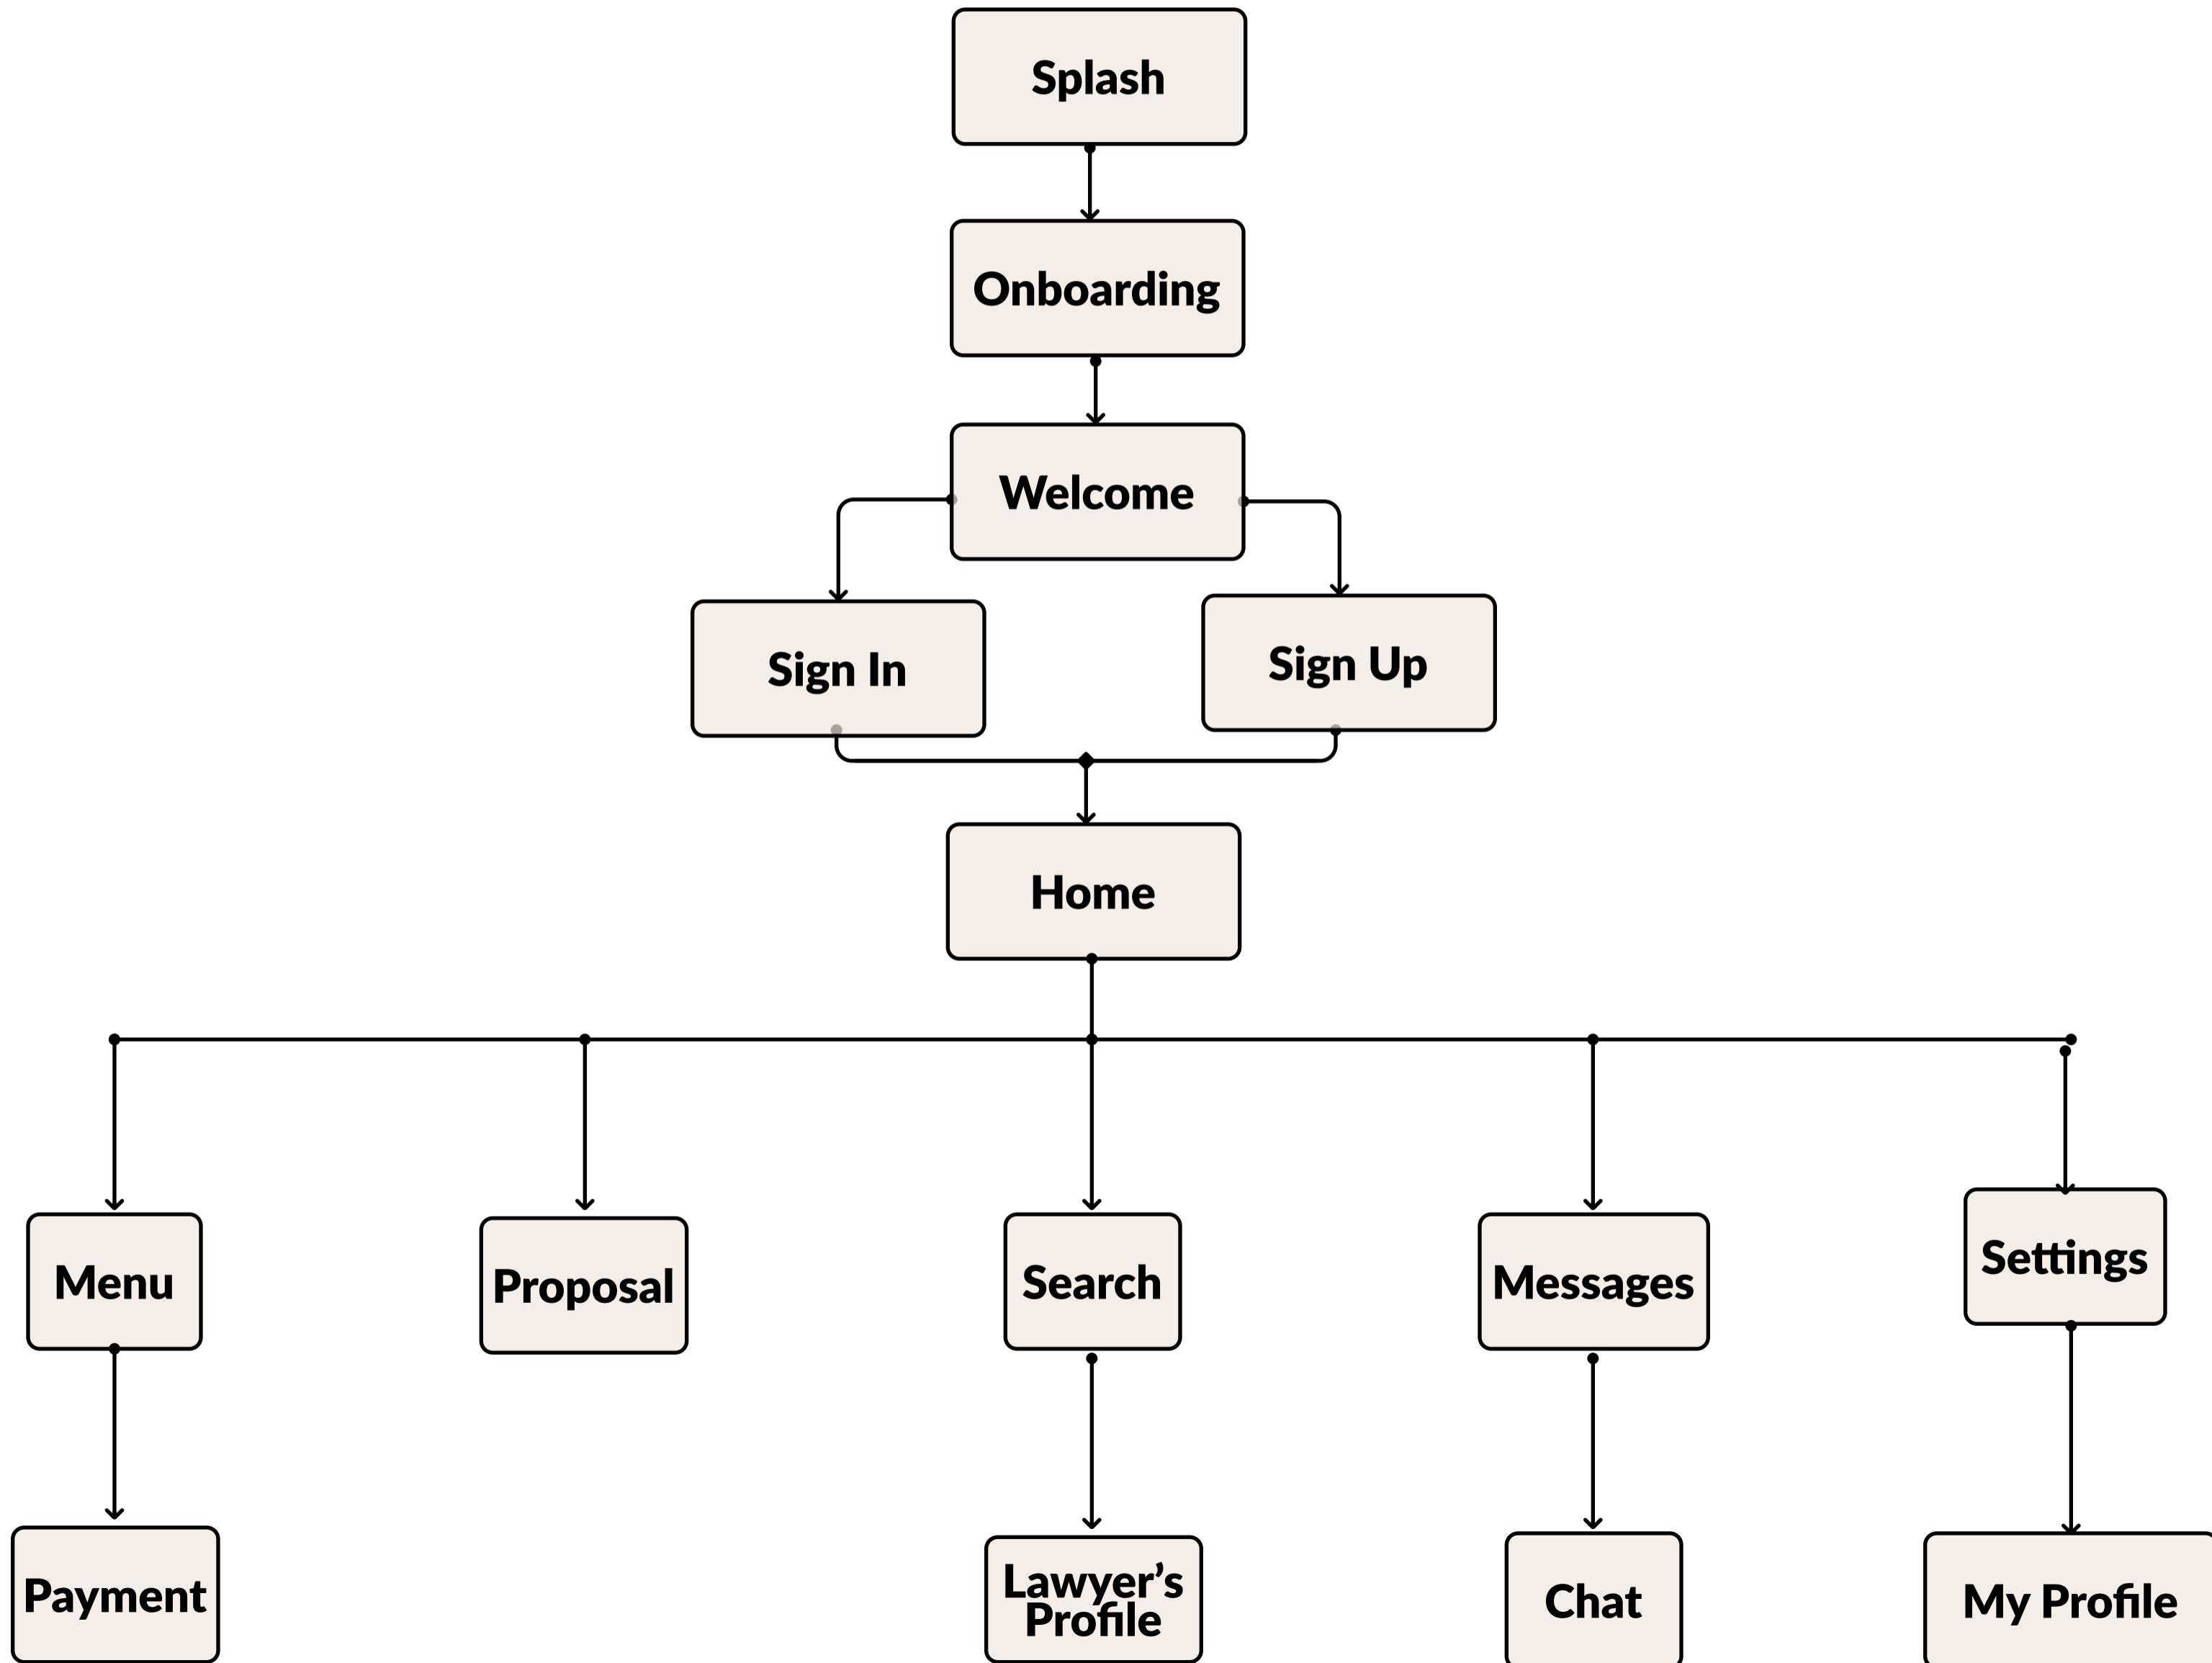

- Easier to get someone doing his work in another distance place
- Safety
- Validation payments
- Trust the lawyer who doing the work

No problem Dustin, I send you the documents when I arrived at my office!

I have received your documents. Maybe we can try another color for the homepage, I'm already working on a proposal. Also I saw that the wording has a lot of spelling mistakes, I correct everything that I see. I send you everything tomorrow.

Read 12:45 ✓

Nice! Sorry for the spelling mistakes, the text was pretty old.

Mid Wireframes

The image displays three mobile phone wireframes arranged horizontally, representing different stages of a user flow:

- Left Wireframe:** A sign-in screen. It features a large square placeholder with a diagonal cross. Below it is the text "Sign In". To the left of the input fields is a descriptive text: "Win-Win transactions Accomplish your work in a very simple and secure way". At the bottom are three navigation dots: the first is highlighted with a circular arrow icon, while the second and third are simple black dots.
- Middle Wireframe:** A sign-in screen. It features a large square placeholder with a diagonal cross containing the word "LOGO". Below it is the text "Sign In".
- Right Wireframe:** A sign-up screen. It features the text "Sign Up" at the top. Below it is a "Sign up with Google" button with a "G" icon. There are four input fields: "Name", "Email", "Password", and "Password" (repeated). At the bottom is a checkbox labeled "I agree with Terms and Privacy" and a "Sign up" button.

Each wireframe includes a header bar with the time "12:44" and signal strength indicators.
